THEME

With the graduates of any school go glorious memories of their high school activities. As the years pass, many of these memories fade with a yearbook their only source of renewal. It is with this in mind and with the knowledge that the value of a yearbook increases with the passing of time that we have chosen the theme of memories for our 1962 Coyote.

When Time, who steals our years away
Shall steal our pleasures too,
The mem'ry of the past will stay,
And half our joys renew.

Thomas Moore, SONG

DEDICATION

The year 1962 marks the end of seventy years of Wichita Falls having only one class of graduates each spring. This is not a sad occasion, but a proud one, because it is a symbol of our progressive city; it is evidence of our steadily increasing population.

Through the years many seniors, with their parents' support and teachers' guidance, have passed from the halls of WFSH, taking with them many glorious memories of their high school years.

In order to preserve these memories, the Coyote staff dedicates this yearbook to the last single graduating class and to all the seniors who have gone before, with the hope that their moments of glory and honor will be reflected in the 1962 Coyote.

PRINCIPAL

Our memory is a bank in which we deposit life's experiences. Such things as friendships, knowledge, achievements and many other assets are placed on deposit in the safety of our memory bank and from these deposits we earn interest and dividends. It is entirely appropriate that the 1962 COYOTE be dedicated to the memories of this school year, for 1961-62 has been a wonderful year for our school. My sincere desire is that the memories which have been accumulated during the year will bring to each one great and enduring returns throughout life.

OFFICE

As we look back over the year, these people bring many memories to the students of our school. Under the guidance of our principal, Mr. O. T. Freeman, and the deans, the students recall fond memories of past activities and school functions. The other members of the office staff, pictured here, join to make our year run smoothly and pleasantly. Yes, there will always be affectionate memories when we think of the office as the "backbone of the school."

ENGLISH

As we journey back through our glorious book of memories, we have sharp recollections of the many worthwhile, though sometimes tedious, hours that were spent in the study of the English language.

Using a well-rounded program of literature and grammar, the Department of English in Wichita Falls Senior High School is designed to instill in its students a thorough and working knowledge of the English language. Attempting to give the students an invaluable insight into the world's greatest literature, the department dwells on the study of the best authors and styles the world has known. Grammar is also presented in such a way as to help each student improve his ability to express himself in the most precise and accurate way possible.

The Coyote News, *Teen Times* and *The Coyote*, all news media sponsored by the Department of English, have given to every student in WFSH a fond collection of memories that will long be cherished.

LIBRARY

Reviewing the 1961-62 school year always brings to mind the many hours of careful study put in by each student before, during and after school in the Snyder Library of WFSH. The silent atmosphere of the library gives almost a sacred meaning to the vast amount of knowledge bound between the covers of the books. The librarians, Miss Natalie Gorin and Mrs. Noel Andrews, have given freely of their time and effort to teach each student to make use of the library in the quickest and easiest way possible.

SCIENCE

Among the memories of many students are the explosion of a miscalculated chemistry problem, the unsightly dissection of the common grasshopper and innumerable hours of study for a final physics examination. Wichita Falls Senior High believes science is of the utmost importance to the future of our world and presents it in the most proficient and interesting way possible. Beginning with a study in the hows and whys of life itself, biology, working up to a study of chemical composition, chemistry, and concluding with the study of the universal basic laws, physics, the Department of Science makes available to every student a solid foundation upon which to erect the scientific knowledge of his future.

MATHEMATICS

"Subtract!" "Multiply!" "Divide!" These mathematical commands instantly generate memories of past experiences in the WFSH math classes. Under the expert guidance of qualified instructors, every student is presented a solid foundation in the fundamentals of mathematics through classes in algebra, geometry and arithmetic. Courses in trigonometry, solid geometry, slide rule, calculus and number sense are also available for students wishing a more advanced and thorough knowledge in the field of mathematics. Whether applied directly in later vocational choices or merely retained as useful knowledge, mathematics truly broadens the intellectual scope of each student who graduates from WFSH.

SOCIAL STUDIES

The Department of Social Studies endows each student in WFSH with a thorough knowledge of the history of our world, which, in itself, is merely a recollection of past occurrences. Courses in American history, world history and Texas history aid the students in their quest for knowledge of human affairs. Civics, a course in the government of our country, dwells on the jobs done by our local, state and federal representatives. Viewing in retrospect the work of our governmental leaders and the sacrifices made by our forefathers is invaluable to the future leaders of our country in their attempts to form a more just society.

LANGUAGE

Attempting to bring to each student a unique understanding of other parts of the world, the Department of Languages in Wichita Falls Senior High has formulated a well-rounded program consisting of the study of French, German, Latin and Spanish. The department dwells not only on the study of the language itself, but strives to present to every student an insight into the cultures, customs and governments of these countries. Future recollections of knowledge acquired in the WFSH language classes will be invaluable to the peace and security of each student.

HOME ECONOMICS

Memories of the 1961-62 year at WFSH will stem from happy, memorable times spent during the hours of a school day. What more memorable experiences could occur than those taking place in the Department of Home Economics in WFSH? In this department the young ladies of the school learn to cook numerous delicacies and to prepare a table that would please any gourmet. Sewing is also included in the curriculum. The applicable knowledge obtained in these courses will serve as a strict guide for America's future homemakers.

COMMERCIAL

With the demand increasing daily for highly trained personnel in the world of business, students graduating from Wichita Falls Senior High School have tremendous opportunities to acquire high positions in the business world. Courses in finance and commercial law provide the students with an understanding of present day economics and business; training in the fields of engineering, architecture and drafting is acquired through the mechanical drawing and shop classes; and instruction in the fields of typing, bookkeeping and shorthand is available for those interested in secretarial and bookkeeping jobs. Memories of the daily lessons in these practical courses will undoubtedly some day aid the students in their attempts to establish a place for themselves in the world of business.

SPEECH

To express one's self properly is of primary importance to all in our day and time. In WFSH there are outstanding departments designed for that very purpose of proper expression. The Department of Speech has put forth much effort and time to bring honor and distinction to our school. The National Forensic League is composed of the advanced students in debate, declamation, extemporaneous speaking and other forms of speaking competition. The National Thespian Society is the drama section of the speech department. A student wishing to make a career of drama first becomes a member of the Amateur Guild and then advances to the National Thespian Society. Departments to satisfy the needs of those interested in radio and television or stagecraft are also available. Together the different sections of the Department of Speech comprise a department that is a credit to WFSH.

ART

In the Department of Art many students make decisions as to what profession they will pursue. Instructions in such areas as oil painting, design, ceramics, drawing and poster making aid these decisions. We are proud of the national recognition which the Department of Art brings to our school. This department produces talented businessmen and women for the future and also sponsors THE COYOTE.

MUSIC

Perhaps no single department holds more memories than the Department of Music in WFSH. Linger with every student are reminiscences of pep rallies at which the band provided extra zest and of the outstanding performances of the band at the football games and in parades. The choirs and orchestra, too, are reminiscent of superb performances in assemblies, special programs and competitive events. While the Department of Music gives excellent training for students with an interest in music, it also brings many honors to our school.

SED

In the minds of many students of WFSH are the memories of automobile accidents which have hurt seriously and even taken the lives of classmates. The Safety Education Drivers' Training course is designed for the purpose of giving students the opportunity to practice safe driving habits under the guidance of competent instructors. Classroom instructions prepare students for their written license examination, and actual driving skills are learned in the dual controlled car of WFSH. The impression of safety on these students, along with instruction and practice, helps make the streets of our city and the highways of our state the safest man can possibly develop.

Included in the Department of Athletics is the tennis team at WFSH, under the direction of Mr. Charles Avera. The tennis team has afforded much pleasure as well as distinction to the name of WFSH. From its tournaments throughout Texas and Oklahoma, the team has brought back to our school many honorable trophies and awards. The tennis team of WFSH will always remain in the memory of students as the best team any school can have.

HEALTH

The Department of Health plays an important role in our school by instilling in the minds of students the necessity for proper grooming, desirable manners, pleasing personalities and the rules of good health. Mr. Ned McNeill and Mrs. Jack Jones teach health to physical education students of WFSH and do an excellent job in showing these students the necessity of proper health. Mrs. R. E. Cole, school nurse gives aid to students becoming ill during the school day. Many graduating students owe their attitudes toward manners, health and personal appearance to the instruction they receive in the classes of the Department of Health at WFSH.

NDCC

The National Defense Cadet Corps will always be remembered for the outstanding job of producing top notch young men. Under the guidance of Major H. D. Byous, the young cadets are taught discipline which will undoubtedly aid them in later life. Memories of drill and challenges will always linger in the hearts of the young men who took the NDCC training. This is one of the departments which make better men for the future.

STUDY HALL

Scholarship rates a high place in the memories of school days. The study hall plays a very important role in a student's life, for here he can catch up on assignments or do extra work. Almost everyone recognizes the study hall as a useful aid academically. Memories of quiet days will stand out in a student's mind when he recalls his study hall.

PHYSICAL EDUCATION

A modern and well organized physical education department is not only practical but essential in the age in which we live. In WFSH a modern physical education program is being carried on under the direction of very capable leaders. For the recreational benefit of students, there are volleyball, basketball, baseball and other events in which they may participate. The annual gym show provides the students with a chance to show their skills in sports, exercises and gymnastics. The Physical Education Department will always be uppermost in the memory of those students who have used its facilities to better themselves in the principles of sportsmanship, a clean mind and a sound body.

BENNIE WORKS

IN MEMORIAM

As early as the fourteenth century, Geoffrey Chaucer said in appraisal of a teacher, the clerk of Oxford, "And gladly would he learn, and gladly teach."

Many years later William Lyon Phelps said after several years of work in the classroom, "Teaching is to me the most adventurous, the most exciting, the most thrilling of professions—I had rather earn my living by teaching than in any other way I love to teach."

A grateful student has said of teachers, "A teacher affects eternity; he can never tell where his influence stops." Another student has expressed appreciation in these words, "A teacher who can arouse a feeling for one single good action, for one single poem, accomplishes more than he who fills our memory with rows on rows of natural objects, classified with names and forms."

In all these words on the role of great teachers are found some of the expressions that characterize in part the efforts of Mrs. Mary T. Walsh and of Miss Bennie Works, both of whom sought always to guide and to encourage those entrusted to their care. Neither ever forgot that the teacher's faith in the student might become the one guiding star in a world sometimes darkened by uncertainty and fears.

Indeed it is fine to be able to say of each of these devoted teachers of English, "And gladly would she learn, and gladly teach."

NATIONAL HONOR SOCIETY

Being a member of the National Honor Society will always remain in the memory of each of these students. This chapter was established to stimulate high scholarship, constructive leadership, purposeful service and worthy character among the students. Members of this society tutor students who are weak in scholastic abilities.

Each year in the spring the candidates, the upper 10 per cent of the junior class and the upper 25 per cent of the senior class, are rated by members of the faculty on the basis of leadership, service and character traits.

JACKET AWARDS

"Three major factors govern the awarding of a scholarship jacket," said O. T. Freeman, WFSH principal, in an explanation of this coveted award.

First of these factors is the earning by a regularly enrolled ninth, tenth, eleventh or twelfth grade student of a 3.5 grade point average. In the second place the student who has a 3.5 average must have a grade of B or better in citizenship from the time of his ninth grade enrollment, must not have on his record any major violation of school regulations and must have an equally good record as a young citizen in the community.

Finally, such an award is subject to the Interscholastic League rule limiting to \$15 the award any student may receive in one scholastic year. Therefore, any student who has already received a jacket award during the current year is not eligible for a scholastic jacket. However, the student may receive the honor of being one of the top ten in his class if he meets all of the requirements.

ANNUAL STAFF

"We'll never make it!" is the phrase most often heard in room 324 as the Coyote Annual Staff scurries to secure material for each deadline. Hard work and patience always prove the contrary, however, as the staff comes through with flying colors. The 1962 Coyote Annual Staff sincerely hopes that these pages will forever bring to mind cherished memories of the 1961-62 school year.

The Coyote News

The light-hearted and informative copies of the *Coyote News*, which come out once every six weeks, can be attributed to the Coyote News Staff under the direction of Mrs. Cecil Inman. These journalism students give their time and effort to edit the best school newspaper possible. In addition to this demanding task, they supply articles to the Teen Times section of our local newspaper and hold good scholastic averages in all their classes.

These senior students are chosen by their teachers of junior English, after which they enter the journalism classes to learn the workings of a newspaper and the manner in which one is published. After preliminary training, each student is assigned certain groups or clubs to report on during the school year. When interesting stories or editorials are written, they are sent to Mrs. Laura T. Doing, who edits and lays them out for publication in the *Wichita Falls Times* each Wednesday.

COYOT

The Coyote Marching Band, probably the most colorful organization in WFSH, is rated high among the top marching bands of Texas. This year the band, consisting of 104 people with 80 marching, performed stunning feats with precision drill. Tradition called for the breath-taking Marching "W" and "Fight Song" at the end of each half-time performance.

CONCERT

The Concert Band of WFSH is devoted mainly to the correct interpretation of music by the great composers of all time. The composers write the music, the directors interpret the music and the band plays the music to the best of its ability.

STAGE BAND

The prime purpose of the WFSH Stage Band is to read, prepare and perform all types of modern music in the jazz idiom. Comprised of eighteen members, it also plays for special dances and school functions.

Through much hard work, the band won a first place trophy for its excellent participation in a clinic at Midwestern University.

DAVID HURST

Vice-President

BAND

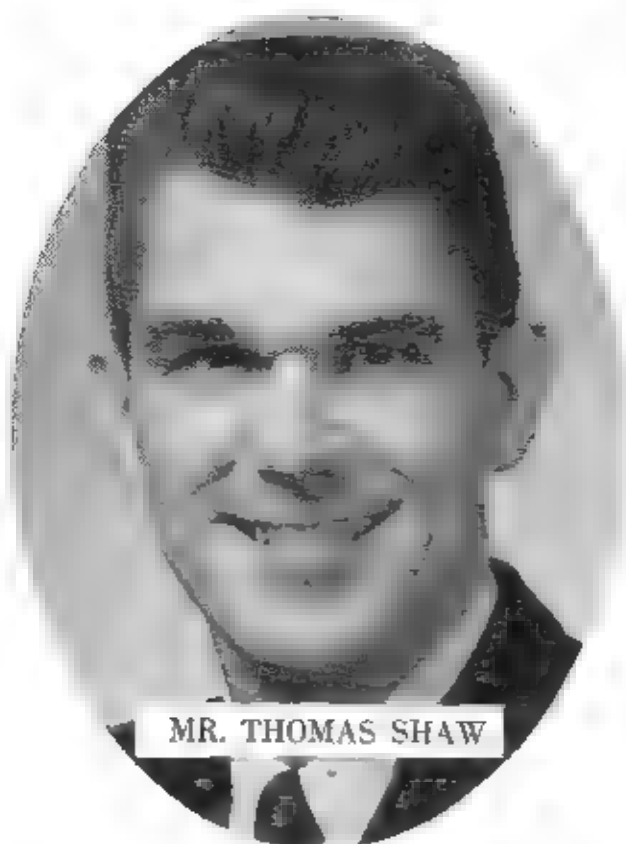

WFSH is very proud of its 101-member concert band, which not only competes in contests, clinics and concerts, but also enters the Interscholastic League contest.

Directors

Mr. Fred T. Prentice, director of the Coyote Band, came to WFSH in October, 1961. Since he has taken the band, great improvements in every phase of the work have been made. With his energetic and excellent personality, he has been accepted and appreciated with great enthusiasm by all the band members.

Mr. Dan Pruitt, assistant director of the band, came to WFSH in November. His contributions to music interpretation have added much to the improvement of the band.

MR. THOMAS SHAW

Director

A CAPPELLA

The A Cappella Choir of WFSH, under the direction of Mr. Thomas Shaw, is one of the most inspiring organizations in the school. When the choir sings a magnificent hymn, the hearts of the whole student body are lifted.

VARIETY PLUS

One of the most exciting and glamorous functions of the Coyote Band is the annual production of "Variety Plus." "The Continental Touch" was the theme for this year's show. The crowd in the capacity-filled Memorial Auditorium enjoyed the entertainment and the scenes from the different countries of the world. The glamour of Sandy Bean, the flirtatiousness of Delores Jentsch and the suaveness of Larry Weidman added much to the atmosphere as these three served as emcees.

HI-Y AND

Under the direction of the Y.M.C.A., the Hi-Y and Tri-Hi-Y organizations endeavor to fulfill their goal "to create, maintain and extend throughout the home, school and community, high standards of Christian character."

The Coyote Pack and Pink Darling hospital volunteers are results of their efforts in service projects.

Delegates from WFSH attend the fall convention in Abilene, participate in the state Youth Legislature in Austin in December and attend Southwest Area and national meetings.

All of these things and more are part of the activities of the nine clubs of WFSH.

NATIONAL THESPIAN SOCIETY

Thespians presented the "Pied Piper of Hamelin" for the Children's Theater.

Many happy memories linger after the fine plays, colorful assemblies and panel discussions presented by the Thespians under the direction of Mrs. T. Richard Moss. The members of the society are pictured above at their annual Christmas party.

The annual pageant was presented to the school as a symbol of the true meaning of Christmas.

Committee chairmen plan the annual tournament.

"Therefore, my colleagues and I are resolved that the federal government should . . ." This familiar resolution is heard many times during practice debates. The members of the National Forensic League, pictured above, devote time and effort to represent our school at tournaments held throughout the state.

The League, under the direction of Mr. H. Bedford Furr, has brought many honors to the school and continues to grow in strength.

Practice debates give experience and assurance.

an annual project of presenting Thanksgiving baskets to needy families in Wichita Falls, and the members provide the decorations for the all-school spring formal held February 10. These activities are directed by a council made up of 50 girls.

Members of the Council, who are representatives from each homeroom, listen to a discussion of future plans that include matters of interest to every student.

Bob Colvard, J. W. Davis, Fred Prentice, Keith Jones, Mary Keller, Coach Joe Golding and Principal O. T. Freeman, the members of the Sportsmanship Committee, lead the school and community in promoting good citizenship.

They perform innumerable tasks which, however simple, are of great importance to a smooth-running library. The work of the librarians, Miss Natalie Gorin and Mrs. Noel W. Andrews, is made much lighter by the work and co-operation of these students.

THE WRITERS' CLUB

Many students in WFSH wish to become professional writers and authors. For guidance in developing their writing abilities, they join the Writers' Club. This club, under the sponsorship of Mrs. Charles B. Russell, gives its members experience in the writing of compositions and discusses such rhetorical principles as the theme idea, good diction, effective usage, sentence structure and patterns of development. Because of the instruction received through this club, many of the best-sellers of tomorrow may be written by graduates of WFSH.

The senior cadet officers are of vital importance to the NDCC unit. These officers, with the assistance of Major H. D. Byous, meet and discuss problems of the corps. They also prepare lesson plans for class instruction.

The NDCC unit would not be entirely polished without a rifle team. The members participate in firing matches against other high school corps. The members are, Left to Right, Cadets S Sgt. Chuck H. Withorn, Lt. Col. Lee Halkins, Col. Mike Marker, First Lt. Bob Thompson, S Sgt. Pete Smith, M Sgt. Frank Smith, S Sgt. Bill Hendrich, Second Lt. Edwin Stone, M Sgt. Troy Jensen

An inspection is held to acquaint the cadets with regular military inspections. The cadets must stay sharp looking and keep their firearms clean.

Pictured here is a typical classroom instruction. Senior cadet officers instruct all classes in a military manner.

A routine marching drill led by the commanding cadet teaches the cadets proper military formations and marching orders.

Knowledge of weapons is one of the primary units in the NDCC. Cadets are taught the identification of every part of the various firearms and the correct care and function of each weapon.

Assisting Major H. D. Byous in the office each period are, Left to Right, Mary Keller, Nancy Jackson, Shirley Sollis, Nancy Flannery and Carol King. These girls record, type, file and perform other duties which are necessary in keeping the records of the NDCC unit in order.

MAINTENANCE

The "silent men," or the custodians, of WFSH do many jobs to help make our days in school happier and easier. Without these men our school life would not be nearly so pleasant.

This staff headed by Lawrence Stone will be remembered not only for their regular jobs but also for the things they do solely for our individual concerns.

The nightwatchmen are George Ballard and Roy Vehon.

Wake up Uncle Tom!

Mrs. Riley and her assistant.

The efficient staff at work.

CAFETERIA STAFF

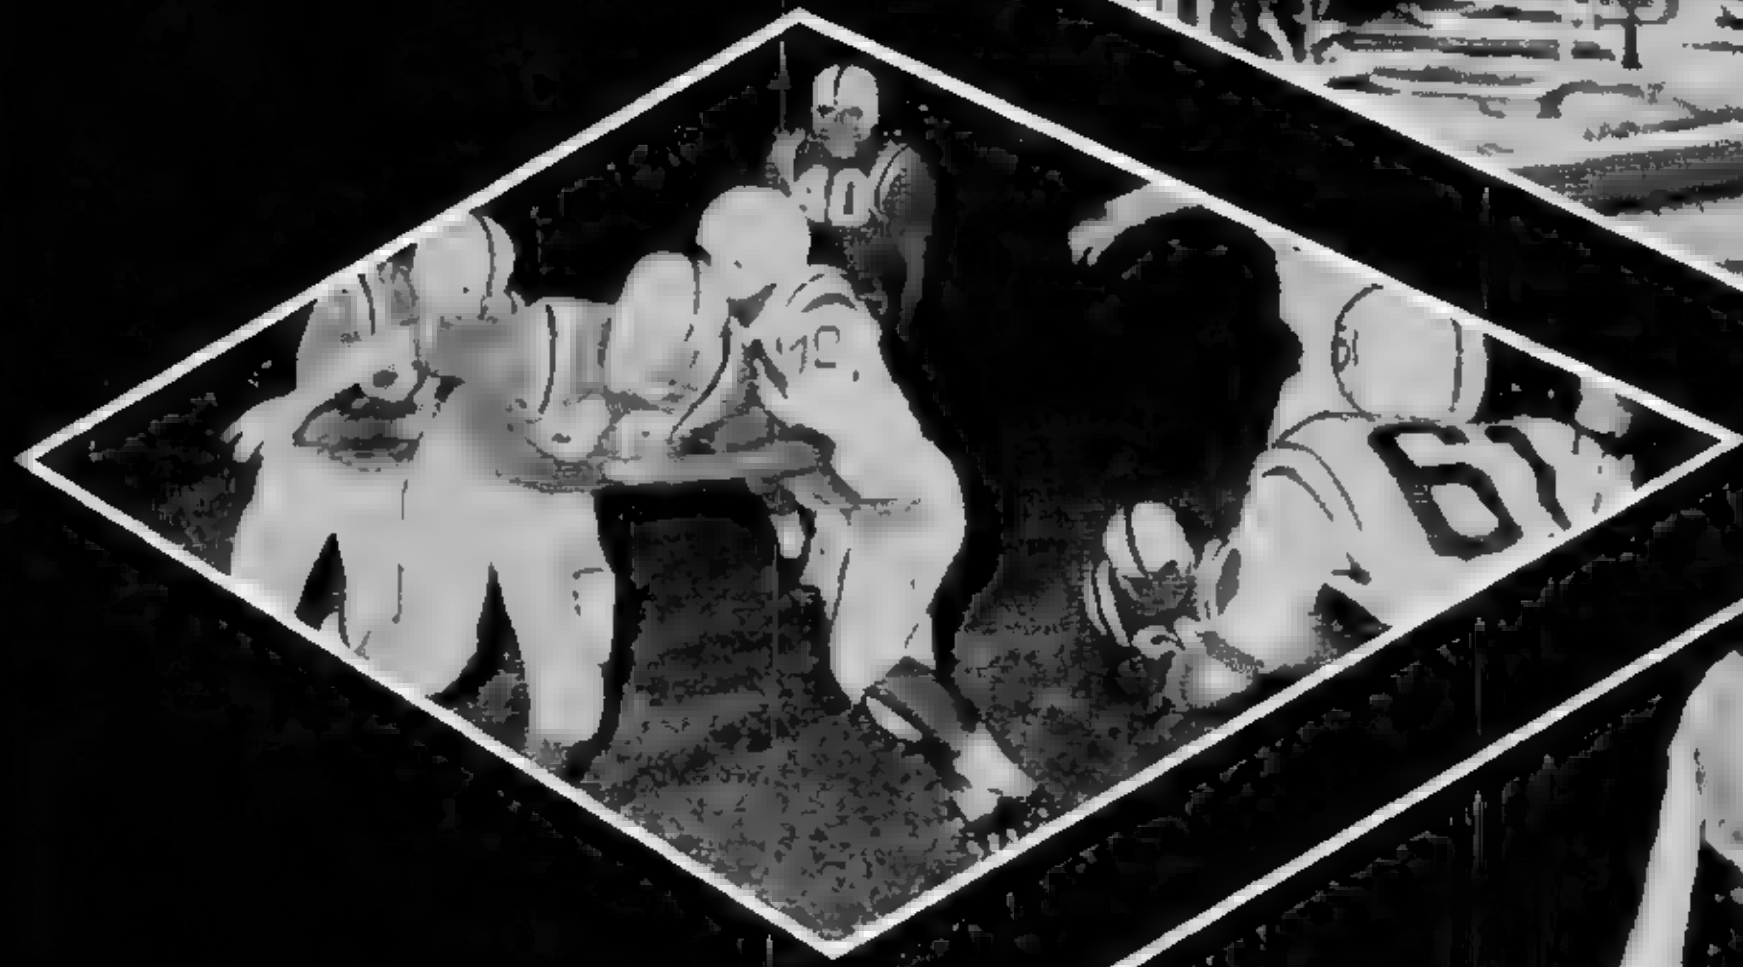

The cafeteria staff will always be remembered by the students of WFSH for the dependable and competent work they do in preparing lunch for approximately 2000 students and teachers. The staff can always be counted on to be working every day of

the school week between 5:30 a.m. and 2:30 p.m.

This efficient staff is under the capable management of Mrs. Nell Riley and her assistant, Mrs. Ramona Alexander.

This group includes Nell Riley, Ramona Alexander, Pauline Akridge, Emaline Anderson, James Berry, Olga Berger, Sally Burns, John Crain, Loice Dennis, Gladys Gilbert, Sue Goen, Clara Gresham, Lela Haley, Doris Hodges, Bessie Hood, Bertha Lee Hunn, Lilhan Johnson, Rosa Jones, Robert Laster, Margaret Ann Long, Viola McDonald, Hester Monarch, Evelyn Smith, Edna Spotswood, Inez Taylor, Myrtle Wolf and Lee Ester Wright.

SPORTS

We, the Department of Sports for the Coyote Annual Staff and the entire 1961 Coyote Football Team, realize that without the efforts, knowledge and understanding of the above men, Coaches Joe Golding, Hunter Kirkpatrick, Jess Stiles and Donnel Crosslin, there would not have been a 1961 Coyote Championship Team. With this in mind, we have placed them first in the football section—our small tribute to four great men.

The 1961 Coyote football season was filled with tremendous accomplishments and glorious memories.

On August 25, 1961, returning lettermen and upcoming Rowdies donned their practice togs and began preparing for the first game of the season, which was played September 8 against Oklahoma's top team, Ada. The Pack took the opening kickoff all the way for a score and within fifteen seconds was leading 7-0. Thus the Coyotes became the first team in the state to score and went on to win 55-6.

The second foe was Breckenridge, which the boys in Red-and-Black romped by a score of 41-6. On the following Friday, Amarillo's "Golden Sandstorm," still smarting from their defeat in 1960, blew into town with revenge in their eyes. In spite of a supreme effort put forth by the Sandies, the scoreboard displayed a 14-0 win for WFSH when the final gun sounded. Next, two traditional rivals, Lawton and Vernon, fell as the Coyotes stomped the Sooners in Lawton 48-0 and dropped Vernon 57-0. The Lobos of Longview, next victim of the Coyotes, did not make it easy on the Pack, as the "little men" had to fight for a 27-6 win.

The Coyotes were rated as the No. 1 team in Texas two weeks before the beginning of the season and still held that position as they prepared to defend the 4-AAAA district championship, which they have never lost. The Tigers of Irving were beaten 34-0; then Arlington fell 35-12. The Buffaloes of Haltom City were

the next to be crushed, 33-6. The next game, determinative of the district champion, was against the Grand Prairie Gophers. Although outweighed fifty pounds per man, the Pack ruined the homecoming game for Grand Prairie and captured the district crown as they defeated the Gophers by a score of 22-0.

When the mighty mites entered the state playoffs, they still retained their No. 1 rating. However, they ran smack into a Borger Bulldog team which was "tough as a boot," and the Pack was happy with its 14-0 win. The ensuing week looked just as rough as the Coyotes traveled to San Angelo to scrap with the No. 2 rated Texas team. Had it not been for a freak play on the opening kickoff, the Bobcats would have never scored. The Pack made it look like "kid football" as they mauled the boys from San Angelo 42-8. Next the mites traveled to Farrington Field in Fort Worth to meet Fort Worth Paschal, the only other undefeated, untied team in Class 4-AAAA football. The Paschal boys were big and rough, but they also fell as the Coyotes used long runs and clutch plays to win 41-12.

For the fourth straight year WFSH was represented in the State Championship game. Having lost the two previous years, the Pack was determined to capture the crown. South Texas was represented by a formidable foe in the form of Galena Park. Making their initial trip to the State game, the Yellow Jackets were also determined to win, and looked as if they might.

The 1961 Tri-Captains—George Overstreet, Larry Shields and Bob Colvard—have proved their devotion and invaluableness to the 1961 Coyote Football Team. Their leadership and inspirational play, on and off the field, set a fine example for the rest of the team to follow.

As the gun sounded at half time in Fort Worth's TCU Stadium, the scoreboard displayed a disheartening 6-0 lead for the South Texans. However, the scene did not stay dark long. From the kickoff beginning the second half, there was a marked change in the type of football played. The Coyotes began to hit harder and to push the bigger Yellow Jackets all over the field. As a result of this great second-half effort, the mighty mites scored three touchdowns to Galena Park's one and won 21-14. to complete the first undefeated, untied season for WFSH in 12 years and become the State Champions of Class 4-AAAA football. In addition to winning State, the Coyotes accomplished other such outstanding feats as being the first and last 4-AAAA team to score during the regulation 48-minute time limit. They were the only undefeated team in the class, and all fourteen teams which they beat outweighed this "scrappy bunch of little guys."

Coach Joe Golding has frequently referred to the Coyotes as his "little men." Even though they comprise one of the state's smallest teams, they appear as physical giants in the eyes of the multi-million population of the Lone Star State. Coyotes, words do not express the gratitude that we, the student body of WFSH, have for you. We are indebted to you for the recognition you have brought our school, and we shall always retain glorious memories of the 1961 football season.

Along with the glory of the 1961 football season went many difficult tasks performed by the Coyote managers. These four boys—Eddie Woods, Tommy Anderson, Tom Rundell and Robert Rector—are held in great esteem by their fellow champions.

Ever notice the appearance of Coyote stadium? It is not only the cleanest, but it also has the best turf of any field in North Texas. Thanks can go to none other than Mr. Clyde Greaves, the stadium caretaker.

Overstreet, Pope and Hull demonstrate the effectiveness of the Coyote defense.

1961 ROWDIES

For the second consecutive year the 1961 Rowdies went unbeaten and untied through nine straight games. Without the great desire and determination of these future Coyotes, this feat could never have been accomplished. From the performance of the "little Coyotes," one can only assume that the 1962 Coyotes will be one of the finest teams in history.

Superbly coached both physically and mentally by coaches Morris Mercer, Ned McNeil, Herb Marvel and Mack Keck, the 1961 Rowdies rolled to their second straight undefeated season. The "little men" of the future can never forget the tremendous job done by these four great men.

1961-1962 COYOTES District Champs

In his two years as basketball coach at WFSH, Coach Morris Mercer has built one of the strongest teams in the history of the school. The 1961-1962 Coyotes were a well rounded and seasoned ball club made up mostly of senior boys. Although they faced a height disadvantage in almost every game, they made up for it in speed, hustle, and desire. They were the winners of two tournaments and always displayed the utmost sportsmanship. After breezing through their first three games, they dropped their next two, but then returned to their original winning streak and won the next 18 games in a row. The Coyotes won the first 7 games in district with little trouble, but in the last district game they ran into a bunch of hungry Arlington Colts, who broke the Coyote's winning streak and handed them their first district loss.

The Coyotes closed their regular season with a very impressive 22-3 record and with the respect of every team they had played. They played the District 4 3AAA Champ. Graham, in a practice game and defeated the Steers 62-58.

The Coyotes' season came to an end, when the Lubbock Plainsmen came to town. The Coyotes faced their greatest height disadvantage of the year in this Bi-district game. It was a nip and tuck battle all the way; but the Coyotes, who played their hearts out, came out on the short end of a 43-48 final score. The Coyotes finished the season with a very fine 22-4 record.

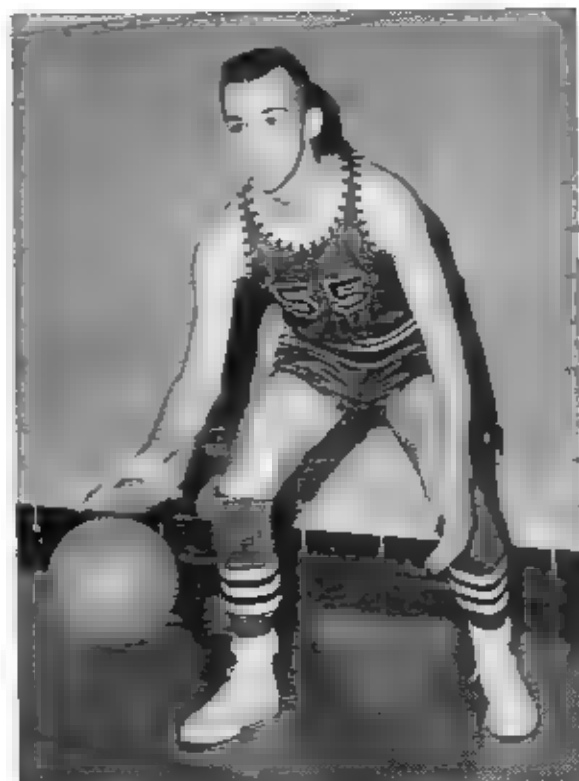

Come on, man: let go!

During the summer months of 1961, the Coyote Baseball team suffered the loss of one of its players as the result of a swimming accident. On these pages will be found the pictures of Gary Allen, who would have been a junior this year. Gary was a hard worker with a great deal of promise. The sports department of the 1962 Coyote Annual Staff is dedicating the baseball section to his memory.

Combining hard work and great team effort, the 1961 Coyote Baseball team won the 4-AAAA district championship. Handicapped with only two returning starters, the Coyotes skipped through the season to the tune of fourteen wins and four losses. They accomplished this with few hits and by taking advantage of the mistakes made by their opponents. The losses came at the hands of Lawton, Arlington, and Lubbock Monterey. In Bi-district play the Pack lost two heart-breakers to Monterey by the scores of 2-1 and 4-2. This mighty band of hitless wonders dominated the All-district poll by placing four boys on the first team, three on the second team, and three received honorable mention. The spirit and determination which prevailed throughout the season has brought another district championship into the halls of "Coyoteland."

With the guidance of Coach Cleo Beavers, the Coyote Swim Team represented WFSH very well this season. The Coyote "aqua ducks" combined hard work and determination to reach their goals. Under Coach Beaver's new swim program, the Coyote teams will remain a top power in state. Again this year the Coyotes should make a fine showing at the State Meet at Texas A&M.

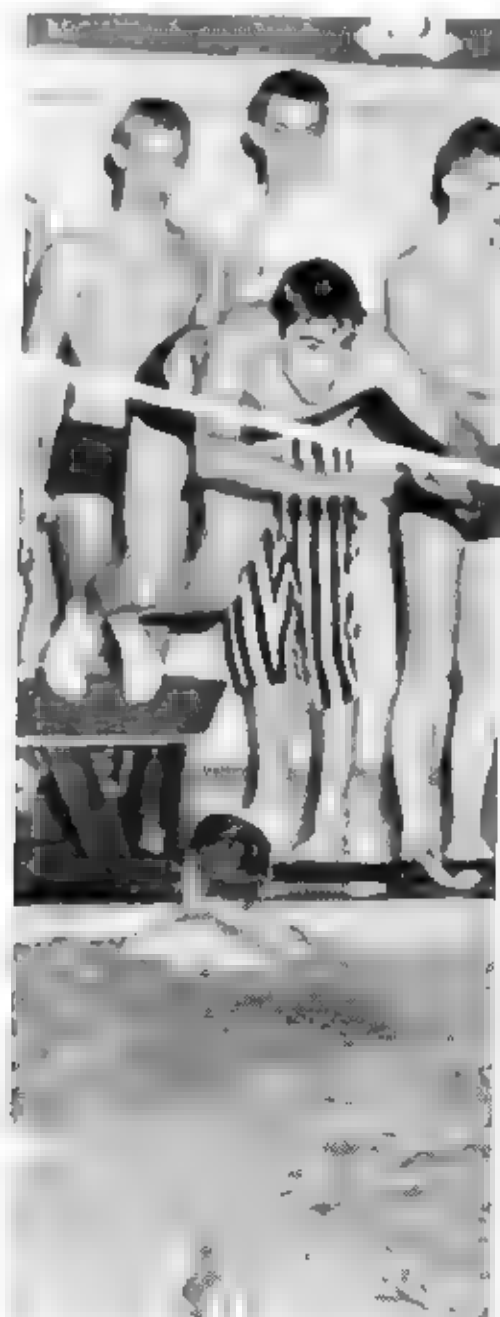

Hey, fella, hold that pose.
